Covid

We expect to be running the festival in 2022, subject to the following:

- We are going ahead with the organisation of the festival assuming that Covid will not affect it.
- However Covid may lead to problems or restrictions and our plans may need to change including at short notice.
- We reserve the right to impose Covid-related restrictions at any time, and those not prepared to comply will not be permitted to attend the festival. In such circumstances no fees would be refunded.
- Covid restrictions would probably include mask-wearing (except when performing), social-distancing and use of hand-gel.
- We reserve the right to cancel large-scale events (such as Adult Choirs), but would refund all fees.
- In the event that we cancel other parts or the whole of the festival all fees would be refunded.
